- 15-495-022-8030-664 8030-495-046570-60 Of the amount hereinabove appropriated for Transitional Aid to Localities, an amount may be allocated by the Director of the Division of Local Government Services to provide short-term financial assistance to a local government unit that is determined by the Director to be experiencing financial distress caused by the destruction or loss of a major local business ratable. For purposes of this paragraph, a "major local business ratable" means one or more related parcels of property owned by a single business entity, classified as commercial or industrial, which comprised the largest assessed valuation of any one or more line items of taxable property in a municipality, or generated an annual PILOT payment in excess of 10% of the total municipal levy, or is otherwise determined by the Director to be of such significance to a municipality that its destruction or loss has resulted in financial distress; provided, however, that notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services may direct that part of any such allocation be paid to an affected school district or county, or to both, in the same manner as if the award of Transitional Aid were raised as revenue from the municipal tax levy; and provided further that a local government unit determined to be experiencing financial distress because of the loss or destruction of a major local business ratable shall not be required to be subject to any additional conditions, requirements, orders, or other operational efficiency or oversight measures authorized pursuant to P.L. 2011, c. 144, except as determined to be appropriate by the Director of the Division of Local Government Services.
- 15-495-022-8030-664 8030-495-046570-60 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or regulation to the contrary, the Commissioner of Labor and Workforce Development, in consultation with the Commissioner of Community Affairs, is authorized to enter into individualized payment plan agreements with municipalities that receive Transitional Aid for the reimbursement of unemployment benefits paid to former employees of such municipal government units, at reasonable interest rates based on current market conditions, and on such other terms and conditions as may be determined to be appropriate by the Commissioner of Labor and Workforce Development. Any municipality that enters into an individualized payment plan agreement pursuant to this section shall be required to expend all funds budgeted for this activity remaining as of the last day of its budget year for the repayment of outstanding obligations under the plan.
- 15-495-022-8030-664 8030-495-046570-60 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Transitional Aid to Localities shall be allocated to provide short-term financial assistance where needed to help a municipality that is in serious fiscal distress meet immediate budgetary needs and regain financial stability. A municipality shall be deemed to be eligible for transitional aid if it is identified by the Director of the Division of Local Government Services (Director) as experiencing serious fiscal distress where the Director determines that, despite local officials having implemented substantive cost reduction strategies, there continue to exist conditions of serious fiscal distress, which may include but shall not be limited to: substantial structural or accumulated deficits; ongoing reliance on non-recurring revenues; limited ability to raise supplemental non-property tax revenues; extraordinary demands for public safety appropriations; and other factors indicating a constrained ability to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the fiscal integrity of the municipality. Municipalities seeking transitional aid shall file an application on a form prescribed by the Director, which application, among other things, shall set forth the minimum criteria that must be met in order for an application to be considered by the Director for a determination of eligibility. The Director shall determine whether a municipality which files an application meeting such minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid should be provided to address the municipality's serious fiscal distress. The transitional aid shall be provided to the municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c.144 (C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as determined by the Director of the Division of Local Government Services for a municipality may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities such municipality received in the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property Tax Relief Aid such municipality shall receive for the current fiscal year. Provided, however, if the Director of the Division of Local Government Services deems an amount of Transitional Aid to Localities for a municipality as constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from compliance with the requirements for transitional aid.
