<td>This project is for design and installation of systems and devices to prevent or reduce water from entering the Meadows Maintenance Complex (MMC) buildings and the Rail Operations Center (ROC). These resilience improvements will protect ROC and MMC facilities during storms so that they can continue to operate normally, or to allow the rapid resumption of services once a storm is over. The project includes design, project administration, construction, and the purchase of necessary equipment and materials.</td>

## Recipient Data Elements

### 19. Provide details of any integrity issues/findings

The IOM noted the following findings as part of monitoring procedures performed through September 30, 2020:

- a. Amounts noted for payments to DBE subcontractors on Form E did not agree to amounts noted as received by the sole DBE subcontractor for the period of 08/01/2018 to 01/31/2020.
- b. Certified payroll records were not produced by the DBE subcontractor, or collected by the prime contractor, until requested by the IOM. Certified payroll records that were produced are incomplete.
- c. Jobsite logs and sign-in sheets maintained separately by prime contractor and NJ Transit do not agree to each other.

In consideration of the missing documentation and discrepancies noted herein, IOM has requested to obtain DBE accounting records to perform additional procedures. NJ Transit is assisting with efforts to obtain this requested information.

### 20. Provide details of any work quality or safety/environmental/historical preservation issue(s)

During this period, the State of New Jersey was under a State of Emergency related to the spread of COVID-19. Our communications and attendance at meetings was conducted virtually. Through our monitoring procedures, the project does not appear to have been affected.

### 21. Provide details on any other items of note that have occurred in the past quarter

None.

### 22. Provide details of any actions taken to remediate waste, fraud and abuse noted in past quarters

Not applicable.

### C. Miscellaneous
