Important Information

General: AT&T Fleet Complete® as described in this product brief (the "Solution") is available only to eligible customers with a qualified AT&T agreement ("Qualified Agreement"). The Solution is subject to (a) the terms and conditions found at (a) the Qualified Agreement; and (c) applicable Sales Information, including this document. For government customers, any Additional Product Terms not allowable under applicable law will not apply, and the Qualified Agreement will control in the event of any material conflict between the Qualified Agreement and the Additional Product Terms. Any service discounts, equipment discounts, and/or other discounts set forth in the Qualified Agreement do not apply to the Solution. The Solution may not be available for purchase in all sales channels or in all areas. Additional hardware, software, service and/or network connection may be required to access the Solution. The Solution is NOT eligible for any service discount, equipment discount, or other discount set forth in the Qualified Agreement. Additional fees, charges, taxes and other restrictions may apply. Offer subject to change.

Availability, security, speed, timeliness, accuracy and reliability of service are not guaranteed by AT&T.

Customer Personal Data ("CPD") may be transferred to or accessible by (i) AT&T personnel around the world (ii) third parties who act on AT&T's or AT&T's supplier's behalf as subcontractors; and (iii) third parties (such as courts, law enforcement or regulatory authorities) where required by law. Customer will only make CPD accessible when it has the legal authority to do so and any necessary consents. Customer will camouflage or securely encrypt CPD. CPD includes, without limitation, name, phone number, email address, wireless location information or any other information that could or does identify Customer or its end users. Customer is responsible for providing end users with clear notice of AT&T's and Customer's collection and use of CPD obtained via this offer, for obtaining any necessary end user consents, and for complying with, and advising end users about, AT&T's Privacy Policy.
