

2023 PTE-150 Instructions

Instructions for Pass-Through Business Alternative Income Tax Statement of Estimated Tax

Who Must File

Pass-through entities that have elected to pay the Pass-Through Business Alternative Income Tax shall make estimated payments if they expect to owe more than \$400 when they file their PTE-100.

How to Determine Your Estimated Tax

Calculation of the estimated tax should be made on the basis of a full accounting period, estimating liabilities using the circumstances that exist at the time of filing. Use Form PTE-100 as a guide for calculating the amount of estimated tax due and use the Estimated Tax Worksheet on page 2 to calculate each installment.

Underpayment of Estimated Tax

Failure to make estimated payments, or underpaying any installment, will result in the imposition of interest. In general, a pass-through entity will be considered as having underpaid if the total amount of the estimated payments for the tax year are less than 80% of the total tax liability reported on the current year's tax return or less than 100% of the total tax liability reported on the prior year's tax return.

Interest is assessed at an annual rate of 3% above the prime rate for each month or part of a month the underpayment exists. At the end of each calendar year, any tax, penalties, and interest remaining due will become part of the balance on which interest is charged.

When to Pay

Payments are due on or before the 15th day of the fourth, sixth, and ninth months of the current tax year and on or before the 15th day of the first month of the year following the close of the tax year.

How to Pay

Pass-through entities must pay estimated tax electronically by e-check, electronic funds transfer (EFT), or credit card. Go to the Division of Taxation's website at nj.gov/taxation. Entities that do not have access to the internet can call the Division's Customer Service Center at (609) 292-6400.

If you are not currently enrolled in the Electronic Funds Transfer program with the Division of Revenue and Enterprise Services, visit their website at: state.nj.us/treasury/revenue/onlineeft.shtml
